2. Issues and impacts:

1. Different Schedules of Team Members:

- **Description:** The varying study schedules and personal commitments of team members make it difficult to organize a unified meeting time. This scheduling conflict affects the ability to hold regular team meetings.
- **Impact:** This leads to challenges in communication and coordination, resulting in delays in task completion and overall project progress.

2. Missed Deadlines:

- **Description:** Some tasks have not been completed by the set deadlines.
- **Impact:** Delays in completing tasks can push back the project timeline and increase the workload on team members as they try to catch up.

3. Next week's goals:
